Who We Are

Enhancing our community through transportation

The Mineral County Pioneer Council is a community organization concerned with access to transportation for our neighbors living in Mineral County.

Our goal is to make the service both affordable and reliable.

Lack of access to health care is a continuing problem for many seniors and disabled individuals. This is why we've started our transportation program- to meet the needs of Mineral County's transportation disadvantaged.

Help your non-ambulatory neighbors who are having difficulty getting to medical appointments, grocery shopping and other life essential tasks by pledging your support of **Mineral County Pioneer Council**'s Transportation services.
